OFFICIAL PUBLICATION OF THE MOTOR CITY REGION

EDITORIAL

by: Linda L. Le Blanc

Utica, Michigan.

Hello! Guess what? I am the new editor of Shelby Life. Sorry for the delay in getting out this issue, but it's my first. The following issues, hopefully, will be more timely. Please bear with me.

I'd like to take this opportunity to tell you a little bit about me. I am sixteen years old, soon to be twenty-one, and am an eleventh grade student at Utica High School. I play in the Utica band, first chair flute, as well as twirl my flag during marching season. My favorite interests center around my two horses, my Mustang and my Thoroughbred horse. The Thoroughbred came as my sixteenth birthday present which was quite a surprise, and my Mustang, Santa brought last Christmas. The Thoroughbred was in good shape when I got him, but unfortunately, my Mustang had leaky head gaskets which my dad helped me change two months after I received it, "What a job!". Other interests I have right now include members of the opposite sex, which is driving my dad crazy! I only hope he survives it.

I will try my best in this and following issues to do a good job in putting this newsletter together. I would appreciate your comments and suggestions which will help me do as good a job as can be done. Please let me hear from you. Any contributions as far as feature articles will also be greatly appreciated.

DIRECTOR'S CORNER

Another year is upon us. The cars are tucked away where they go in the winter, or they are disassembled in preparation for the upcoming season's events. We have some great events coming this season. Our winter swap meet was a squeeze and the Memorial Day extravaganza plans are proceeding quite well. We will have our high speed event at the Utica Test Track the day after our big show at the AAA Headquarters. There are also plans being made to secure a track (like MIS) for another speed event later in the year. Of course, the National Convention is coming to town this summer and we are all looking forward to that - Phil Jacobs has begun his car set-up already for the Mid-Ohio track event.

Your new Board of Directors is working hard to bring you a year filled with fun and competitive events for the whole family.

Join us for this years fun!

Tom Greene, Director

The Twenty-Third Psalm

The Lord is my shepard; I shall not want. He maketh me to lie
down in green pastures:

He leadeth me beside the still waters. He restoreth my soul: He
leadeth me in the paths of righteousness for His name's sake. Yea,
though I walk through the valley of the shadow of death, I will fear no
evil: for thou art with me; thy rod and thy staff the comfort me.

Thou preparest a table before me in the presence of mine
enemies: thou anointest my head with oil; my cup runneth over.

Surely goodness and mercy shall follow me all the days of my life;
and I will dwell in the house of the Lord for ever.
