LADIES YOU WERE GREAT
 by: Rodney Beckwith III

As a club we owe you a lot of thanks for the many support positions you filled at Waterford. Maning a flag tower or timing station a major part of the day is a lot of work and/or pain from standing. I have been in a number of organizations and it has always fasinated me on how the women participation is often times the inner working of a program function. Thanks to you all. P.S. It is also good to see some of the ladies driving.
