**SALEEN/ALLEN 'RRR' SPEEDLAB  
WINS SCCA MANUFACTURERS' CHAMPIONSHIP WITH  
FIRST PLACE FINISH AT ROAD AMERICA**

-----  
**Saleen Mustang Captures Third Consecutive  
SCCA Manufacturers' Championship Title**

IRVINE, Calif. (August 18, 1998) -- The Saleen/Allen "RRR" Speedlab achieved another first place victory this weekend in the Touring 1 class at Road America in Elkhart Lake, Wisconsin. The team locked in the SCCA Manufacturers' Championship title for the third consecutive time in '96, '97 and '98, significantly beating out second-place Acura by nearly 30 points and third-ranked Porsche by 43 points.

Terry Borcheller drove to his third win this season and set a new track record during the qualifying round with a finishing time of 2:22.541 at 102.23 mph. Borcheller capitalized on the horsepower of his Saleen Mustang and grabbed the lead on the third lap, finishing with a 4.441-second victory margin over the Dodge Viper.

Teammate Ron Johnson set the fastest race lap time at 2:24.073 with speeds reaching 101.48 mph. He overcame mechanical problems on the first lap, repaired quickly by the Saleen/Allen pit crew, and worked his way past 34 cars to a remarkable fourth place finish.

Borcheller remains in the lead for the SCCA Drivers' Championship title with 180 points, while Johnson maintains a close second, earning 165 points.

Kurt and Darlene. Kurt has been with the club for many years and has made significant contributions in every year of his membership including those years he served as director/president and more recently as our treasurer. These days, we are lucky enough to have Darlene as part of the Kurt & Darlene team. They have taken the initiative to have direct mailing to each of the past participants for our events, answering people's registrations with confirmations and in general making sure people were treated as they would like to be treated. What a concept, service with a smile and the golden rule all rolled into one. Thanks Kurt and Darlene, you have helped make our club's events a more enjoyable experience for our members and our guests as well.

Phil & Arlene Jacobs; Phil and Arlene were a young couple who were dating when I first met them. The "long and short of it" was they had the good sense to get married, raise a couple of really great kids and all the while, continue to provide valuable help to the club by helping at every event we have ever had and getting the advertising out to the various magazines, other club's newsletters and to the newspapers so we got the viewing public to come to our events.

Randy and Kathy Betki; Thanks for the several years of setting up the club Christmas party, making the arrangements and keeping things moving smoothly - oh, and thanks for the video entertainment at the club meeting.

Rich Tweedle; who has had other commitments on Thursday nights of late so we haven't had the pleasure of his company at the club meetings, has been our membership director for many years keeping track of both the transient and consistent members of the club while maintaining the club's video library. He also is our mainstay set up and contact person for the FME and their open house events where he capably and professionally represents our club. Our best wishes to his 15 year effort to getting his Pantera restoration completed and Our thanks goes out to CAPTAIN VIDEO.

Austin Craig; Benefactor to us for SEVERAL different club display opportunities, magazine articles for club member's cars, insider information on many different fronts and one of the founding members of both the regional and national club. You are a continued joy to have around. Thanks

Ben Scheiwe; What can we do to thank Ben for all he has done? It was through his efforts that among MANY other events we have had, we have also had the benefit of "SAAC-MCR night at the race shop" where our club was able to get a first hand tour of the Roush racing facility and meet Greg Biffle, have pizza on the shop floor and generally hang around like we belonged there. This is a time every one will long remember.

Craig Shefferly; Our T-shirt man. You have helped maintain the wardrobe for many club members for years, including seeing kids grow from "do we have children's size T's to do you have anything larger than XL??" Thanks to you and Bonnie for all the sales and marketing effort.

RB IV; Here's another member we have seen grow with the club. Rod Beckwith (the 4<sup>th</sup>) has gone from not quite being of legal driving age to being an SCCA racer, getting married, and introducing his wonderful wife, , to the rest of us. All this while being the club secretary and helping at the club events for many years

Ray and Sharon Stitt, our world champion swap meet attender, and 50/50 drawing material supplier, and all around great folks to have as members and contributors to the overall club success.

Scott and Anne Minch who while they were the (Co-)Show 'n Go directors provided the best turn out we have EVER had at a Show 'n Go swap meet.

Mark Corich who has worked hard at putting on nearly every Show 'n Go we have ever put on, including being Show director for several years.

Brian Thomson whose Thomson Automotive has provided engine work for MANY of us (from two different locations) on our cars. He and Janet have been a club supporter and show contributor for years.

Jeff Burgy; Jeff, you are the founding father of both the regional club, the national club, a supporter, a teacher, art work supplier, creator of the regional logo, friend, advisor and resource to us all. Without your efforts, this club would not exist, and we would not have had the pleasure of meeting each other, getting to know many fine people at the events, and would have been deprived of the opportunity of meeting you. **Thanks for ALL you have done.**

You are reading this club newsletter due to the continued efforts of our editor, national representative, calendar creator, board member, director of keeping the club incorporation squared away and legal, in addition to being an all around great guy **John C. Guyer**. John represents the epitome of dedication. He has been a fervent supporter of the club at both the national and regional level for more years than many of our members are old and he continues to provide outstanding results. John, our hats are off to you, thanks is not a sufficient way to express our gratitude, but it is what we can do here on paper. **Thanks John, your efforts are appreciated by everyone!!!**

## HEADS UP!

We've just finalized SAAC-24 details: date

August 25, 1998

The track will be **Putnam Park**.

miles west of Indianapolis

1999.

but 35

The tentative

Registration

be

family

drive,

literature

and position

Saturday

show. Saturday

track, swap

Watch the next

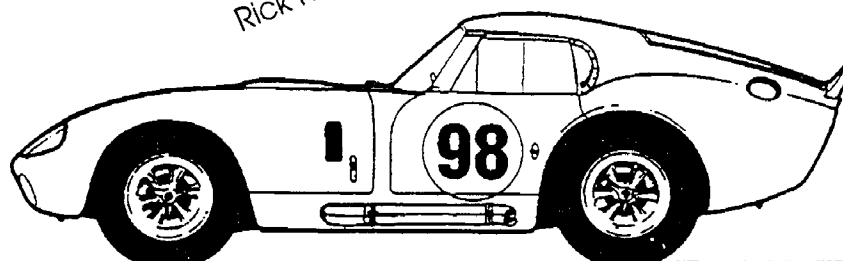

**STOP THE PRESSES!**

No good deed goes unpunished. We recently sent you a "heads-up" on SAAC-24, providing a date and location (Putnam Park, IN). It now turns out that was a little premature, because it might not be in Indiana. Please withhold SAAC-24 advanced information until you hear from us again.

Putnam Park was not our first choice - Michigan International Speedway was. When we were told "no way" by the folks at MIS we went with Plan B. However, after more talk, it now appears that there is a chance we might be able to rent MIS.

We'll let you know as soon as things get untangled and we have a concrete location and date.

Rick Kopec

of the World Championship Cars from Shelby American

## SAAC-MCR takes part in Ford Fan Appreciation Day

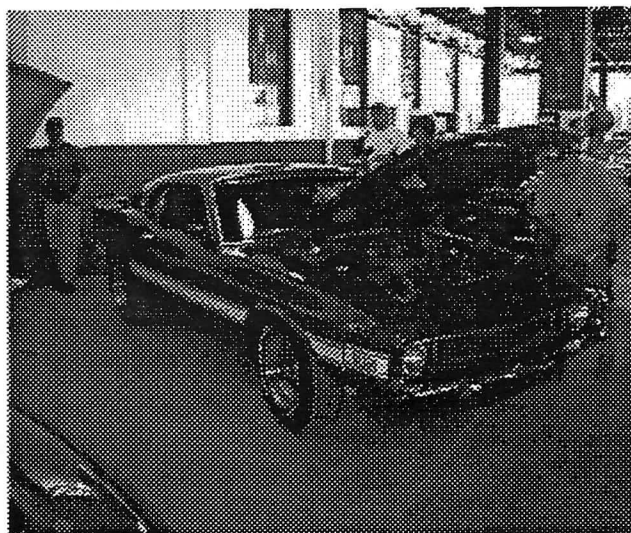

by Dean V. Ricci (photos by Jeff Finley)

*Wednesday August 12th 1998* -- The Metro Detroit Ford Dealers held a fan appreciation day at the Michigan State Fairgrounds. This was the perfect facility to hold the throng of the estimated 30,000 fans that showed up for the event. This was the first year the event has been open to the general public, previous events had been held on the grounds of Ford Motor Company for their employees and friends.

This year's event was also unique in that the **Motor City Region of SAAC** was allowed to have some of their cars on display. This part of the event was organized by long time club member **Austin Craig**. Members having cars on display were:

John and Sheryl Audritsh - Yellow Boss 302  
Jeff Finley - Grabber Green Boss 302 Eliminator  
Craig Shefferly - Dark Blue '67 GT500

Mike and Rebecca Moore - Red '69 GT350  
Austin Craig - Red '96 Mustang Cobra  
Kurt Fredrickson - Yellow Sunbeam Tiger

Phil Jacobs - God Awful Yellow '68 Trans Am Mustang

Fans were treated to a fun day that allowed them to collect autographs from their favorite drivers of Ford powered vehicles. Drivers were mostly from the **NASCAR** series, but drivers

from **CART**, **NHRA** and **Truck Racing** were also available to their fans. The complete list included:

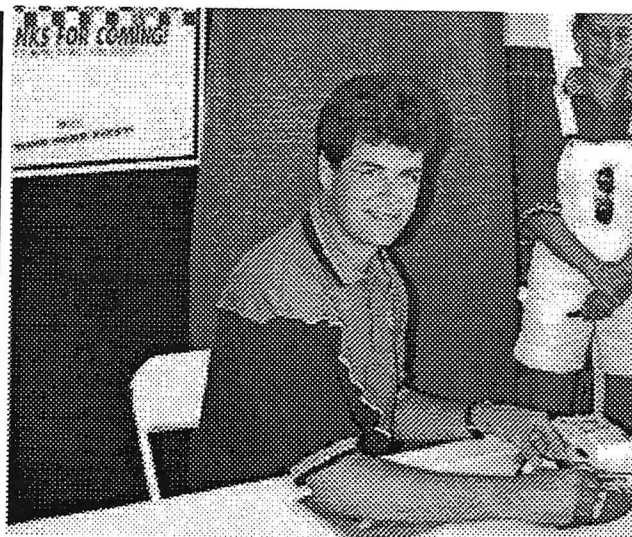

**Joe Ruttman**  
**Mike Bliss**  
**Stacy Compton**  
**Greg Biffle**  
**Kevin Cywinski**  
**Tammy Jo Kirk**  
**Adrian Fernandez**  
**Bill Elliot**  
**Tony Raines**  
**Michael Waltrip**

**Bryan Reffner**  
**Boris Said**  
**Tony Pedregon**  
**Wayne Anderson**

## **Shelby American Opens New World Headquarters**

SHELBY AMERICAN, INC.  
6755 Speedway Blvd.  
Las Vegas, NV 89115  
phone: 702/643-3000  
fax: 702/643-5777

Carroll Shelby's lifelong dream has been to have a track right out the back door of Shelby American. Today, Shelby's dream has finally been realized. The company's new world headquarters has just opened up at the Las Vegas Motor Speedway Industrial Park. Located right at the entrance to the Las Vegas Motor Speedway, Shelby American's new 100,000-square foot facility manufactures the awesome new Shelby Series 1, the first production car ever made in the state of Nevada, and also the legendary Shelby Cobra.

Carroll Shelby invites you to share some good ol' Texas hospitality with us at our new museum and showroom. Shelby American is open Monday through Friday from 8:00 to 5:00, Monday through Friday, and free factory tours start at 11:30 every day, or by appointment after 3:30. On the tour you'll see 35 years of Shelby performance cars, from the very first Shelby Cobra through the Shelby Mustangs, Dodges, and the Aurora-powered Shelby Series 1. You'll see firsthand how we go from drawing board to prototype to production. And you'll also have a chance to take home a piece of Shelby history from the company's general store and Texas-style chili stand, "Viva Terlingua!"

Also, mark your calendars--a special grand opening ceremony is scheduled for October 10, 1998. The festivities will include a special announcement by Carroll Shelby, the first factory-sponsored, all-Shelby car show, a parade lap around the Las Vegas Motor Speedway, and a Shelby motorcade to Fremont street to kick off the world championship chili cook-off.

Shelby American's new headquarters is also the location for the ever-expanding world of Team Shelby.

Shelby American's new headquarters is also the location for the ever-expanding world of Team Shelby. This national brand name refers to the new management team created by Chairman and Founder Carroll Shelby and Don Rager, President and Chief Operating Officer for Shelby American. Team Shelby also applies to the widening circle of development partners which contribute and showcase new technology on Shelby's vehicles and other quality performance products. In addition, through its new Racing Development Center, Team Shelby will provide support services to a number of professional motorsports teams.

## **LAS VEGAS 32nd WORLD CHAMPIONSHIP AND HOT SHELBY SPORTS CARS HEAT UP THE FREMONT STREET EXPERIENCE**

Las Vegas NV: Hot food and hot cars are on their way to The Fremont Street Experience on October 9 and 10. The country's best chefs will be cooking up their award-winning recipes at the Las Vegas 32nd Annual World's Championship Chili Cookoff, the World's Championship Salsa Contest, and the Hot N' Spicy Food Festival. The Chili Cookoff winner will take home a prize of \$25,000 for the best-tasting chili.

Adding to the excitement will be the grand opening of Shelby American on Saturday morning, October 10 at 9:00 am. From its new world headquarters at the Las Vegas Motor Speedway, more than 200 Shelby sports cars will convoy to The Fremont Street Experience area for the inaugural, factory-sponsored, all-Shelby Car Show. The special highlight of the show will be the new Shelby Series 1, the first production car manufactured in the state of Nevada. Sports car legend and International Chili Society Founder Carroll Shelby will act as Official Host for the two days of festivities.

Supporting the Chili Cookoff and Salsa Championship will be the Hot N' Spicy Food Festival, with vendors offering all the regional, national and international taste treats one can imagine. The member hotels of the Fremont Street Experience are also joining in the fun with booths and their renowned chefs presenting their culinary specialties. There also will be a major entertainment stage at 3rd and Fremont Street with top bands performing throughout the two day event. The Cookoff is free to the public, and runs from 11:00 am. to 11:00 p.m. each day. It is sponsored by the Las Vegas Convention and Visitor's Authority, Fremont Street Experience, Hunt Wesson Incorporated, and McIlhenny Company (makers of Tobasco).

---

### ***Win A 1968 Shelby GT 350***

Church of the Risen Savior, Upper Midwest Region SAAC, and Apple Valley Ford present a raffle, with the proceeds benefitting Church of the Risen Savior's Youth Mission Program and the Carroll Shelby Children's Foundation.

**Red, One Owner, 4 Speed, Air Cond., 68,000 Miles. This is a beautiful, restored, original Shelby with all of the original paperwork.**

***Ticket Donation: \$1.00  
(a book of 10 for \$10.00)***

For tickets, send check/money order and a self addressed, stamped envelope to Church of the Risen Savior, 1501 E. County Rd. 42, Burnsville, Minnesota 55306

## SAAC-MCR TRACK EVENTS

The Motor City Region holds four track events a year. Three are at Waterford and one at GingerMan (in South Haven). The first event of the year is held at Waterford and is classified as a drivers school. This event is designed to teach you the proper line around a race course and make you a better driver in a safe and controlled condition. All entrants must be 18 years or older with a valid drivers license and must wear seat belts and a helmet. Their car will go through an inspection prior to entering the track. All first time drivers will attend classroom training and be accompanied by an instructor on the track. It will be up to the instructor to determine when the student is ready to solo. The student will learn proper braking techniques, how & when to down shift, the correct apex through a corner and proper hand on wheel position. This year the school was held on June 8<sup>th</sup>, with 36 students and 12 instructors. A note for next year's event, we can always use more instructors. And there is a bonus for instructors, no entry fee.

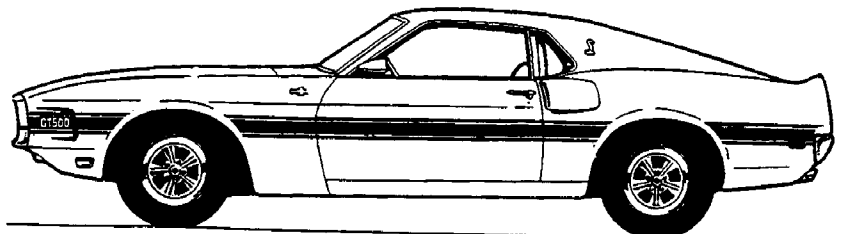

The second event this year was held on July 25<sup>th</sup> at GingerMan. This is a two mile, 36 foot wide track with varying elevation changes. It is a new facility and fun to drive. This is classified as an open-event, where drivers of all levels have an opportunity to improve their skill negotiating a race track at speed. The event is divided into four run groups depending on horsepower and drivers ability & experience. Most drivers prefer this course because there are four sections to pass as opposed to only one at Waterford. Also, the track opens earlier than Waterford and therefore you get more track-time. This was our third year at GingerMan and we had 63 drivers, our highest number of entrants.

Our track events are gaining in popularity because they are well organized, safe, reasonably priced, and designed to maximize the driver's enjoyment and track time. Much of the credit belongs to Larry Jacobs for his many years organizing and running these events as Competition Director.

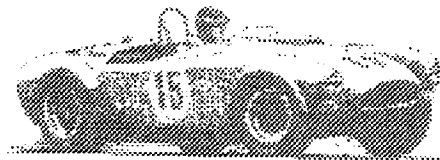

There are two more events scheduled this year, September 6<sup>th</sup> and October 4<sup>th</sup> at Waterford. You can sign up by logging onto our web site, "saac-mcr", and running a copy of the application form. Or you can call the Club Hot Line, 313-980-3936.

Hope to see you at the track!

Bill Rowe  
Assistant Competition Director

# THE SHELBY AMERICAN AUTOMOBILE CLUB IS:

★ The **ONLY** national enthusiast organization that caters to the cars from Carroll Shelby: Cobra • GT350 • GT500 • Ford GT40... as well as virtually every other Ford powered performance car: Sunbeam Tiger • Mustangs of all descriptions from 1964½ to the present GTs and SVOs • Boss 302 • Boss 351 • Boss 429 • Mangusta • Pantera • Griffith - you name it and if it's powered by a Ford engine and goes like a rocket, you'll probably see one at a SAAC meet!

★ Almost 6000 members. SAAC has members in every state in the United States as well as in Canada, Europe, South America, The Middle East, South Africa, Australia, New Zealand, Southeast Asia and Japan.

★ A professional magazine that has been acknowledged as the finest club publication in the country; each issue contains articles covering a wide variety of subjects:

- technical how-to articles
- new products
- historical articles
- interviews
- regional events reports
- vintage race reports
- literature, models, collectibles
- over 100 photos in each issue

★ Advertising supplements sent First Class every other month

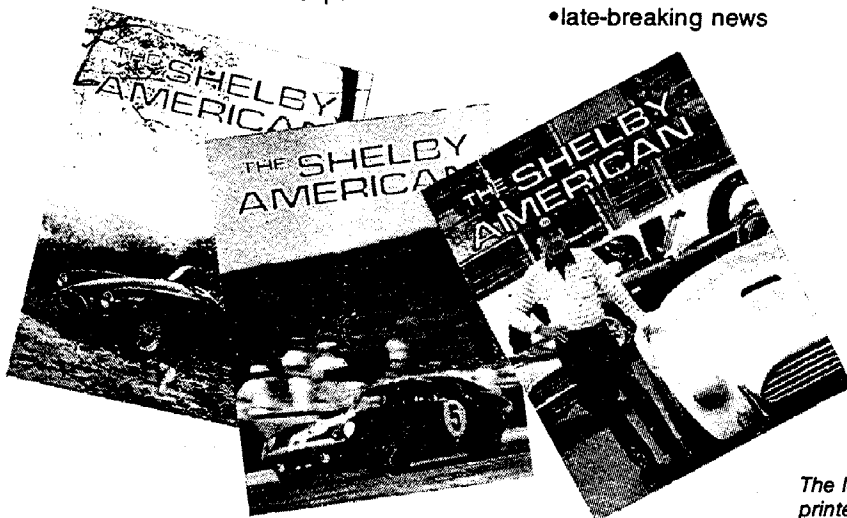

- hundreds of classified ads
- free to members; no word limit
- national calendar of events
- stolen car hotline
- late-breaking news

★ An action-packed Annual National Convention every summer, rotating around the US. You've probably heard about these: 1000+ cars and more than three thousand people at a first class hotel for three days and nights.

- popular vote car show
- judges concours
- high speed event
- parts swap
- guest speakers
- evening programs
- vintage race films

★ Organized and active regions across the country

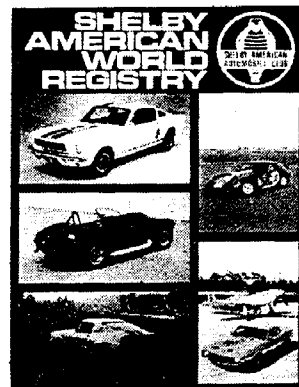

- Events tuned to the desired of local members
- car shows, parts swaps, autocrosses, picnics, socials

After receipt of your dues you will receive your SAAC New Member Packet which contains the latest issue of 'The SHELBY AMERICAN', the latest bi-monthly advertising supplement and an assortment of club paraphernalia and information. As a club member, you will receive all club magazines and newsletters printed in the following 12 months.

EST. 1975

The latest edition of **SHELBY AMERICAN WORLD REGISTRY** was printed in early 1988. It is the most complete and detailed publication of its kind, 594 pages in hardcover with 350 photos as well as the serial number of every car Shelby built: Cobras, GT40s, GT350s, GT500s, King Cobras, Trans-Am notchbacks and more. Individual chapters detail special racing models and there are owners names and histories for every car we have been able to track down. This book is a 'must-have' for every owner or would-be owner.
