## 2013 SHELBY GT350

Renewed and refreshed for 2013 and first introduced in 1965, the genuine American original returns. The 2013 Shelby GT350 continues to impress and build upon recent accolades with its aggressive performance, exhilarating handling and exceptional craftsmanship. The Shelby American team, refined and sharpened design elements and fine-tuned performance attributes with the continuous passion and attention to detail and industry leading performance that continues to make this muscle car a legend. Also New for 2013 is the availability of the entire Ford Mustang color palette, in coupe and convertible configurations, making each vehicle truly unique to their new owner's dream Shelby. The new 2013 GT350, built upon the ingenuity, passion and energy of Carroll Shelby and his original team of hot rodders. "Shelby GT350 is the fastest, best handling and sweetest sounding 'Stang we've ever laid hands on. Any questions?" - *MotorTrend, September 2010*
